Our Fairway Assured Pickles Range consists of six products in 2.25kg re-useable glass jars. Our mouth-watering, onions and silver-skin onions are pickled in vinegar to preserve their bite and flavour and are a fantastic accompaniment to a Ploughman's Lunch.

Our crisp red cabbage is coarsely shredded and pickled in vinegar, which makes a crunchy and colourful addition to everything from hot roasts to cold meats, and our sliced beetroot is gently cooked until tender, sliced and pickled in vinegar for a full, earthy flavour, and firm bite.
